

# Heart & Soul Employee Application Packet 2017

We pride ourselves at being the highest in standards, and as such, it is vital that you follow the application procedures and provide us with the requested information accurately and completely. Your character and employment endorsement will be judged by your attention to details in this application process.

## I. Employment Application Process and Procedures:

- a. **Application.** Fill out this application in its entirety and turn it into our office.
- b. **Interview & References.** Once application is reviewed and your references checked, favorable applicants will be contacted for an interview. Please note that more than one interview may be necessary.
- c. **Observation.** We want to ensure that you are a fit for the H&S family and we want H&S to be a fit for you. For this reason, as a potential H&S employee, you will be asked to familiarize yourself with our gym and observe current H&S employees over a one week time period. WE believe this will provide you with the knowledge to base on a decision on what YOU may be looking for in a work environment. Be advised that this is a time that you are voluntarily spending at the gym to simply observe and ask questions to see if this is the right environment for you. You will not be paid for your time at the gym. At the end of this period, we will meet with you to review your observations and discuss our mutual agreement for the continuance of the employment process.
- d. **Training.** Upon agreement, you will be invited to join and assist some of our classes with the main staff guiding you. During this 2---3 week phase, you are being paid a minimum wage to cover your time being trained. You will also be required during this time to complete any training clinics and certifications offered to you. It is your responsibility to apply yourself and show us that you are fit to handle this great responsibility in a safe, fun and productive manner for the students.
- e. **Probation.** Once you have demonstrated your abilities, you will be officially hired on a probation basis for 90 days. During this time, your performance, attendance and conduct will be carefully monitored by management. Objectives will be set for your probation period. You will be required to continue to attend training clinics and observe our training videos and keep a log. You will be expected to ask questions and show interest to improve your skills. You will also be required to obtain appropriate certifications through USAG—such as Safety Certification and Level 1 Training Course.
- f. **Official Staff Member.** After the 90 day probation period, you will be given a written test to demonstrate your understanding of H&S Procedures, Safety Protocol, and technical aspects of the sport. A review meeting will be held with you. Upon good review and demonstrated compliance of H&S philosophy and culture, you will be officially hired.

We congratulate you on embarking on what could be a truly gratifying experience in your coaching career. You could be part of an exceptional team that is changing and enhancing children's lives every day. If you have set high standards for yourself and have a desire to grow as an instructor and educator, H&S is the right place for you. Your technical background as a gymnast or as a high--level coach is important, but H&S is looking for something even greater. We are looking for inspiring character, friendly personalities, and hard work. We believe that skills and technique can be learned but the right personality and attitude towards coaching cannot be taught. This is not a responsibility to be taken lightly. Which is why we will only select the few that have a strong desire to be teachers and develop our children from the inside out? Outgoing personalities, warmth, friendliness, and a desire to serve are essential qualities for Heart and Soul employees and what makes our team great. If you believe you are an enthusiastic, fun, caring, hungry---to---learn, hardworking type of person, then Heart and Soul is looking for you!

**EMPLOYMENT APPLICATION:** Pre-Employment Questionnaire to receive an interview, this application must be completely filled out.
